Mrs. L. P. Mallwin,
255 Westmoreland Avenue,
Toronto.

Dear Mrs. Mallwin:

I have received your letter asking me to address
the women of the Victoria College Association at their annual luncheon
on the second Wednesday, that is the 18th of November next. I find
that at present I have no engagement that will prevent me accepting
your kind invitation. I have therefore made it a fixture and hope
to be with you on that occasion.

Yours sincerely,

President.
